

LOOKING FOR EUROPEAN LIBRARY PARTNERS

HOST LIBRARIANS **FROM ALSACE (FRANCE)**
FOR A 3-4 DAY ERASMUS+ JOB SHADOWING
MOBILITY 2027-2028

WHO ARE WE ?

Located in eastern France (Strasbourg/Colmar), the Bibliothèque d'Alsace (BdA) is a **regional library** service. It implements the public library policy across the Alsace region (**1.9 million inhabitants**). In this role, it supports nearly **300 municipal and intermunicipal libraries** in developing their services and projects through advisory services, training, and technical assistance.

A European outlook since 2025

- ✓ Convinced that European exchanges are a powerful driver of innovation and professional development, the Bibliothèque d'Alsace has been engaged in a Erasmus+ project since 2025.

[Learn more](#)

- ✓ For the years 2027-28, the Bibliothèque d'Alsace now wishes to **open the European experience to staff members from 4 intermunicipal public library networks** in Alsace.

**Cofinancé par
l'Union européenne**

Our vision of public libraries

- ✓ To respond to societal changes, we support local authorities across Alsace in transforming public libraries into genuine community **hubs and places of encounter**, fostering inclusion, **civic engagement** and lifelong learning.
- ✓ Their welcoming spaces are open to everyone, with particular attention given to improving access for **the most vulnerable audiences**.

WHAT ARE WE LOOKING FOR ?

Our objectives

- Observe and collect **inspiring mediation methods** and tools related to our priority themes
- Strengthen librarians' ability to **work within networks**, both in Alsace and across Europe.
- **Share our own expertise and experience** with partner libraries.

Our priority themes

- Early childhood literacy promotion
- Inclusion and audience development
- Transformation of library spaces
- Volunteer engagement
- Environmental sustainability
- Citizen participation
- Library networking at territorial level and collaborative practices

What is expected from the partner library ?

Together with you, we will design a **learning programme**, including :

- **Library visits**
- Participation in **workshops** and events
- **Thematic exchanges** with library staff
- Meetings with **local partners**

PROFILE OF THE LIBRARY SOUGHT

- **Municipal libraries** integrated into an intermunicipal public library network or engaged in cooperation with other libraries
- Libraries with **regional** coordination and support responsibilities
